

Company Profile

A trusted partner for raw material suppliers, factories and manufacturing companies across India.

- About us

Built on trust, driven by *Sustainability*

TS Enterprises is a leading provider of industrial waste management and scrap handling solutions. We help factories convert by-products, rejected stock and process scrap into measurable value — responsibly, transparently and at scale. Scrap Merchant of Industrial Waste in accordance with environmental factors ensuring complete hygiene in operation and handling scrap products processing. We have a good reputation across the nation in many cities for over a long time and experience in this field of more than 20 years.

What we buy

Our activities

1. Biscuits & Bakery

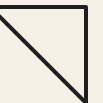

Rejected biscuits, bread and bakery waste streams.

2. Flour & Cones

Surplus flour, wafer cones and bakery raw rejects.

3. Oil & Chocolate

Used oils, chocolate sludge and confectionery scrap.

Noodles & Snacks

Noodle waste, potato chips & fried
collette rejects.

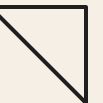

Industrial Scrap

Mixed factory scrap, by-products and
process rejects.

Quality Controlled

Strict QC — feed scrap used only for cattle feed,
never human consumption.

- We collect plastic waste, corrugated boxes, drums, metal scrap, and other industrial waste for recycling on a daily basis. Operating from Mumbai, our team manages and monitors activities efficiently across multiple sites.

Our Proposal

01.

Payment

Advance + Security Deposit

02.

Execution

Daily Basis Operations

03.

Employees

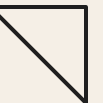

On our payroll at your Plant

04.

Transportation

Own PAN-India Fleet

Built for industrial efficiency — our solutions cover scrap pickup, manpower, and end-to-end execution with sustainability at the core.

Our Process

01. In-House Grinding

We install grinding machines (wrapper) at your plant with our payroll-appointed labour — an everyday operation.

02. Zero Brand Exposure

Scrap processed in-house eliminates exposure in local markets, ensuring stress-free scrapping with no trademark or brand-name violation.

03. 100% Non-Commercial

Complete assurance that no scrap will be used commercially in any kind or form, as contractually agreed.

Why Choose TS Enterprise

01. Best Market Rates

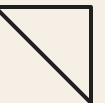

Competitive pricing benchmarked to live commodity indices.

02. Pan-India Network

Logistics and processing across major industrial hubs.

03. Long-Term Partnership

Dedicated account team and monthly performance reports.

Thank

You

Partner With T.S. Enterprise.

We help industries utilise factory waste responsibly — supporting environmental and social commitments through efficient recycling. With reliable service and transparent operations, we aim to build long-term business relationships.
